

January 3, 2023

Dear Resident,

Listed below is the Pest Control calendar for 2023. Orkin Pest Control continues to provide monthly routine treatment of roaches, ants, and mice at the Anniston Housing Authority. We no longer have a Pest Control technician on the property. Please keep this calendar on hand so you will know when to expect treatment.

January 23-27

February 20-24

March 27-31

April 24-28

May 22-26

June 26-30

July 24-28

August 21-25

September 25-29

October 23-27

November 20-24

December 26-29

Please understand that if no one is present at your apartment, a member of our Maintenance team will still enter your apartment with the Orkin technician to keep your apartment up to date on the scheduled treatments. Please make sure that screen doors are left unlocked during this time. Notice will be left in your apartment that a member of our team has been there. Pest control treatment is required and mandatory. We strive for excellence at the Anniston Housing Authority and want your apartment to be free of pest. Please do your part by keeping your apartment clean and free of dirt, grease, trash, and food. Should you have any questions regarding this notice, please contact your Management Office.

**Also, as a reminder, if you have any maintenance issues in your apartment that you need a member of our Maintenance Team to repair, you will need to call 256-236-7544 during office hours. This is the only way a work order can be made for your apartment and a member of the team will know you need a repair. Any afterhours emergency maintenance issues must be phoned into 256-236-6741.

Thank You,

Management
