

Resident Council

Mission Statement

The Mission of the Resident Council of the Anniston Housing Authority is to bring empowerment to our communities by using effective communication with the housing authority on issues that affect our everyday lives such as safety, employment opportunities and housing programs.

What is the Resident Council?

The resident council are duly elected residents of public housing selected by their community to negotiate and work with the housing authority to improve housing and the lives of the residents.

Upcoming Resident Council Event

Election of officers to represent your community. All members must be 18 years of age.
